Dear Jim:

Transmitted herewith are two copies of the executed copies of Amendment No. 1, Contract No. BB-425, Task Order No. 4.

The single exception I have to this amendment is Part 3, Delivery Statement concerning the completion date. It was originally anticipated that the period of performance would be seven (7) months from the date of contract award. I am considering the date of formal authorization to be 1 July 1963.
